

## **NON-CASH CHARITABLE CONTRIBUTIONS GUIDELINES**

The quality and condition of donated items varies significantly. A good rule of thumb is 10%-15% of original purchase price or what the item would sell for at a thrift store. When in doubt, it's best to err on the side of caution and take a lower amount.

<b>LADIES CLOTHING</b>	<b>Good Condition</b>	<b>Fair Condition</b>	<b>COMPUTER EQUIPMENT</b>	<b>Good Condition</b>	<b>Fair Condition</b>
